Order Granting Motion to Amend Caption, ECF No. 88. Petitioner alleges that Ms. ██████████ suffered from Guillain-Barre Syndrome (“GBS”) and Myasthenia Gravis (“MG”) as a result of an influenza vaccine administered on October 21, 2008. Petitioner further alleges that Ms. ██████████ death was the sequela of her alleged injuries. Petition at ¶ 4; Stipulation at ¶ 4.

<sup>1</sup> Pursuant to the E-Government Act of 2002, *see* 44 U.S.C. § 3501 note (2012), **because this decision contains a reasoned explanation for the action in this case, I intend to post it on the website of the United States Court of Federal Claims.** The court’s website is at <http://www.uscfc.uscourts.gov/aggregator/sources/7>. Before the decision is posted on the court’s website, each party has 14 days to file a motion requesting redaction “of any information furnished by that party: (1) that is a trade secret or commercial or financial in substance and is privileged or confidential; or (2) that includes medical files or similar files, the disclosure of which would constitute a clearly unwarranted invasion of privacy.” Vaccine Rule 18(b). “An objecting party must provide the court with a proposed redacted version of the decision.” *Id.* **If neither party files a motion for redaction within 14 days, the decision will be posted on the court’s website without any changes. *Id.***

<sup>2</sup> The National Vaccine Injury Compensation Program is set forth in Part 2 of the National Childhood Vaccine Injury Act of 1986, Pub. L. No. 99-660, 100 Stat. 3755, codified as amended, 42 U.S.C. §§ 300aa-1 to -34 (2012) (Vaccine Act or the Act). All citations in this decision to individual sections of the Vaccine Act are to 42 U.S.C.A. § 300aa.

On May 21, 2018, the parties filed a joint stipulation (“Stipulation”) in which they state that a decision should be entered awarding compensation to petitioner. ECF No. 134. Respondent denies that the vaccine petitioner received caused her to suffer from GBS, MG, any other injury, or her death. Id. at ¶ 6.

Maintaining their above-stated positions, the parties nevertheless now agree that the issues between them shall be settled and that a decision should be entered awarding compensation to petitioner according to the terms of the joint stipulation attached hereto as Appendix A.

**The joint stipulation awards:**

- a. **A lump sum of \$245,000.00 in the form of a check payable to petitioner as legal representative of the Estate of [REDACTED]. This amount represents compensation for all damages that would be available under 42 U.S.C. § 300aa-15(a), except as set forth in paragraph 8.b of the Stipulation attached hereto as Appendix A; and**
- b. **A lump sum of \$1,190,953.47, which amounts represents reimbursement of a Medicaid lien for services rendered on behalf of [REDACTED] in the form of a check payable jointly to petitioner and**

██████████ SHAVER, as Administrator of the  
Estate of KRISTIYANA D. ██████████ deceased,

Petitioner,

v.

SECRETARY OF HEALTH AND  
HUMAN SERVICES,

Respondent.

No. 10-515V  
SPECIAL MASTER GOWEN  
ECF

STIPULATION

The parties hereby stipulate to the following matters:

1. ██████████ (“██████████”) filed a petition for vaccine compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. §§ 300aa-10 to 34 (the “Vaccine Program”). The petition seeks compensation for injuries allegedly related to ██████████ receipt of an influenza (“flu”) vaccine, which vaccine is contained in the Vaccine Injury Table (the “Table”), 42 C.F.R. § 100.3(a). Upon ██████████ death, ██████████ (“petitioner”), ██████████ mother, filed an amended petition on behalf of ██████████ estate.
2. ██████████ received the flu vaccine on October 21, 2008.
3. The vaccine was administered within the United States.
4. Petitioner alleges that as a result of receiving the flu vaccine, ██████████ sustained a vaccine-related injury diagnosed as Guillain-Barre Syndrome (“GBS”) and myasthenia gravis (“MG”). ██████████ passed away on May 6, 2015. Petitioner further alleges that ██████████ death was the sequela of her alleged vaccine-related injury.

5. Petitioner represents that there has been no prior award or settlement of a civil action for damages on behalf of [REDACTED] as a result of her alleged injury or her death.

6. Respondent denies that the flu vaccine caused [REDACTED] alleged GBS or MG, any other injury, or her death.

7. Maintaining their above-stated positions, the parties nevertheless now agree that the issues between them shall be settled and that a decision should be entered awarding the compensation described in paragraph 8 of this Stipulation.

8. As soon as practicable after an entry of judgment reflecting a decision consistent with the terms of this Stipulation, and after petitioner has filed an election to receive compensation pursuant to 42 U.S.C. § 300aa-21(a)(1), the Secretary of Health and Human Services will issue the following vaccine compensation payments:

- a. A lump sum of **\$245,000.00** in the form of a check payable to petitioner as legal representative of the Estate of [REDACTED]. This amount represents compensation for all damages that would be available under 42 U.S.C. § 300aa-15(a), except as set forth in paragraph 8.b; and
- b. A lump sum of **\$1,190,953.47**, which amount represents reimbursement of a Medicaid lien for services rendered on behalf of [REDACTED] in the form of a check payable jointly to petitioner and

DHCS Account No.: C94443871A-VAC03

9. As soon as practicable after the entry of judgment on entitlement in this case, and after petitioner has filed both a proper and timely election to receive compensation pursuant to 42 U.S.C. § 300aa-21(a)(1), and an application, the parties will submit to further proceedings before the special master to award reasonable attorneys' fees and costs incurred in proceeding upon this petition.

10. Petitioner and her attorney represent that they have identified to respondent all known

sources of payment for items or services for which the Program is not primarily liable under 42 U.S.C. § 300aa-15(g), including State compensation programs, insurance policies, Federal or State health benefits programs (other than Title XIX of the Social Security Act (42 U.S.C. § 1396 et seq.)), or entities that provide health services on a pre-paid basis.

11. Payment made pursuant to paragraph 8 of this Stipulation, and any amount awarded pursuant to paragraph 9, will be made in accordance with 42 U.S.C. § 300aa-15(i), subject to the availability of sufficient statutory funds.

12. Petitioner represents that she presently is duly authorized to serve as Legal representative of the Estate [REDACTED] under the laws of the State of California. No payments pursuant to this Stipulation shall be made until petitioner provides the Secretary with documentation establishing her appointment as Legal representative of the Estate [REDACTED]

[REDACTED] If petitioner is not authorized by a court of competent jurisdiction to serve as Legal representative of the Estate [REDACTED] at the time a payment pursuant to this Stipulation is to be made, any such payment shall be paid to the party or parties appointed by a court of competent jurisdiction to serve as legal representative of the Estate of [REDACTED] upon submission of written documentation of such appointment to the Secretary.

13. In return for the payments described in paragraph 8, and any amount awarded pursuant to paragraph 9, petitioner, in her individual capacity, and as the Legal representative of the Estate of [REDACTED] on behalf of herself, the Estate, and [REDACTED] heirs, executors, administrators, successors or assigns, does forever irrevocably and unconditionally release, acquit and discharge the United States and the Secretary of Health and Human Services from any and all actions or causes of action (including agreements, judgments, claims, damages, loss of services, expenses and all demands of whatever kind or nature) that have been brought, could have been brought, or could be timely

brought in the Court of Federal Claims, under the National Vaccine Injury Compensation Program, 42 U.S.C. § 300aa-10 et seq., on account of, or in any way growing out of, any and all known or unknown, suspected or unsuspected personal injuries to or death of [REDACTED] resulting from, or alleged to have resulted from, the flu vaccine administered on October 21, 2008, as alleged in a Petition filed on August 5, 2010, in the United States Court of Federal Claims as petition No. 10-515V.

14. If the special master fails to issue a decision in complete conformity with the terms of this Stipulation or if the United States Court of Federal Claims fails to enter judgment in conformity with a decision that is in complete conformity with the terms of this Stipulation, then the parties' settlement and this Stipulation shall be voidable at the sole discretion of either party.

15. This Stipulation expresses a full and complete negotiated settlement of liability and damages claimed under the National Childhood Vaccine Injury Act of 1986, as amended, except as otherwise noted in paragraph 9 above. There is absolutely no agreement on the part of the parties hereto to make any payment or do any act or thing other than is herein expressly stated and clearly agreed to. The parties further agree and understand that the award described in this Stipulation may reflect a compromise of the parties' respective positions as to liability and/or amount of damages.

16. This Stipulation shall not be construed as an admission by the United States or the Secretary of Health and Human Services that the flu vaccine caused [REDACTED] alleged GBS, MG, any other injury, or her death.

17. All rights and obligations of petitioner in her capacity as Legal representative of the Estate of [REDACTED] shall apply equally to petitioner's heirs, executors, administrators, successors, and/or assigns.
