No. 11-220V  
Special Master Christian J. Moran

Filed: November 16, 2012

Stipulation; hepatitis B vaccine;  
thrombotic thrombocytopenic  
purpura

### UNPUBLISHED DECISION<sup>1</sup>

Isaiah R. Kalinowski, Maglio Christopher and Toale, Sarasota, FL, for Petitioner;  
Lisa A. Watts, U.S. Department of Justice, Washington, D.C., for Respondent.

On November 15, 2012, the respondent filed a joint stipulation concerning the petition for compensation filed by ██████████ (“petitioner”) on April 8, 2011. In his petition, the Mr. ██████████ alleged that the hepatitis B vaccine, which is contained in the Vaccine Injury Table (the “Table”), 42 C.F.R. §100.3(a), and which Mr. ██████████ received on March 5, 2010, caused him to suffer thrombotic thrombocytopenia purpura (“TTP”). Mr. ██████████ further alleges that he suffered the residual effects of this injury for more than six months. Mr. ██████████ represents that there has been no prior award or settlement of a civil action for damages on his behalf as a result of his condition.

Respondent denies that the hepatitis B vaccine caused Mr. ██████████’s alleged TTP, or any other injury, and further denies that petitioner’s current disabilities are sequelae of a vaccine-related injury.

Nevertheless, the parties agree to the joint stipulation, attached hereto as Appendix A. The undersigned finds said stipulation reasonable and adopts it as the decision of the Court in awarding damages, on the terms set forth therein.

<sup>1</sup> The E-Government Act of 2002, Pub. L. No. 107-347, 116 Stat. 2899, 2913 (Dec. 17, 2002), requires that the Court post this decision on its website. Pursuant to Vaccine Rule 18(b), the parties have 14 days to file a motion proposing redaction of medical information or other information described in 42 U.S.C. § 300aa-12(d)(4). Any redactions ordered by the special master will appear in the document posted on the website.

Damages awarded in that stipulation include:

- A. A lump sum payment of \$6,580.06 representing compensation for the reimbursement of a State of Indiana Medicaid lien, payable jointly to petitioner and Indiana Medicaid, c/o Diane Carey, HP Enterprise Services, TPL Casualty Dept., P.O. Box 7262, Indianapolis, IN 46207. Petitioner agrees to endorse this check to Indiana Medicaid; and**
- B. A lump sum of \$78,419.94 in the form of a check payable to petitioner. This amount represents compensation for all damages that would be available under 42 U.S.C. §300aa-15(a).**

In the absence of a motion for review filed pursuant to RCFC, Appendix B, the clerk is directed to enter judgment in case 11-220V according to this decision and the attached stipulation.

Any questions may be directed to my law clerk, Jay All, at (202) 357-6353.

**IT IS SO ORDERED.**

STIPULATION

The parties hereby stipulate to the following matters:

1. [REDACTED], petitioner, filed a petition for vaccine compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. §300aa-10 to 34 (the "Vaccine Program"). The petition seeks compensation for injuries allegedly related to petitioner's receipt of the Hepatitis B ("Hep B") vaccine, which vaccine is contained in the Vaccine Injury Table (the "Table"), 42 C.F.R. § 100.3(a).
2. Petitioner received the Hep B vaccine on March 5, 2010.
3. The vaccine was administered within the United States.
4. Petitioner alleges that he suffered thrombotic thrombocytopenic purpura ("TTP"), which was caused-in-fact by the Hep B vaccine. Petitioner further alleges that he suffered the residual effects of this injury for more than six months.
5. Petitioner represents that there has been no prior award or settlement of a civil action for damages on his behalf as a result of his condition.

6. Respondent denies that the Hep B vaccine caused petitioner's alleged TTP, or any other injury, and further denies that petitioner's current disabilities are sequelae of a vaccine-related injury.

7. Maintaining their above-stated positions, the parties nevertheless now agree that the issues between them shall be settled and that a decision should be entered awarding the compensation described in paragraph 8 of this Stipulation.

8. As soon as practicable after an entry of judgment reflecting a decision consistent with the terms of this Stipulation, and after petitioner has filed an election to receive compensation pursuant to 42 U.S.C. § 300aa-21(a)(1), the Secretary of Health and Human Services will issue the following vaccine compensation payments:

a. A lump sum payment of \$6,580.06, representing compensation for the reimbursement of a State of Indiana Medicaid lien, payable jointly to petitioner and Indiana Medicaid, c/o Diane Carey, HP Enterprise Services, TPL Casualty Dept., P.O. Box 7262, Indianapolis, IN 46207. Petitioner agrees to endorse this check to Indiana Medicaid; and

b. A lump sum of \$78,419.94 in the form of a check payable to petitioner. This amount represents compensation for all remaining damages that would be available under 42 U.S.C. § 300aa-15(a).

9. As soon as practicable after the entry of judgment on entitlement in this case, and after petitioner has filed both a proper and timely election to receive compensation pursuant to 42 U.S.C. § 300aa-21(a)(1), and an application, the parties will submit to further proceedings before the special master to award reasonable attorneys' fees and costs incurred in proceeding upon this petition.

10. Petitioner and his attorney represent that they have identified to respondent all known sources of payment for items or services for which the Program is not primarily liable under 42 U.S.C. § 300aa-15(g), including State compensation programs, insurance policies,

Federal or State health benefits programs (other than Title XIX of the Social Security Act (42 U.S.C. § 1396 et seq.)), or entities that provide health services on a prepaid basis.

11. Payments made pursuant to paragraph 8, and any amounts awarded pursuant to paragraph 9 of this Stipulation, will be made in accordance with 42 U.S.C. § 300aa-15(i), subject to the availability of sufficient statutory funds.

12. The parties and their attorneys further agree and stipulate that, except for any award for attorneys' fees and litigation costs, the money provided pursuant to this Stipulation will be used solely for the benefit of petitioner as contemplated by a strict construction of 42 U.S.C. § 300aa-15(a) and (d), and subject to the conditions of 42 U.S.C. § 300aa-15(g) and (h).

13. In return for the payments described in paragraphs 8 and 9, petitioner, in his individual capacity, and on behalf of his heirs, executors, administrators, successors, and assigns, does forever irrevocably and unconditionally release, acquit and discharge the United States and the Secretary of Health and Human Services from any and all actions or causes of action (including agreements, judgments, claims, damages, loss of services, expenses and all demands of whatever kind or nature) that have been brought, could have been brought, or could be timely brought in the United States Court of Federal Claims, under the National Vaccine Injury Compensation Program, 42 U.S.C. § 300aa-10 et seq., on account of, or in any way growing out of, any and all known or unknown, suspected or unsuspected personal injuries to or death of petitioner resulting from, or alleged to have resulted from, the Hep B vaccine administered on March 5, 2010, as alleged by petitioner in a petition for vaccine compensation filed on or about April 8, 2011, in the United States Court of Federal Claims as petition No. 11-220V.

14. If petitioner should die prior to entry of judgment, this agreement shall be voidable upon proper notice to the Court on behalf of either or both of the parties.

Respectfully submitted,

PETITIONER:
