### **DECISION ON JOINT STIPULATION<sup>1</sup>**

**Dorsey**, Chief Special Master:

On January 21, 2015, petitioner filed a petition for compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. §300aa-10, *et seq.*,<sup>2</sup> [the "Vaccine Act"]. Petitioner alleges that Mr. ██████ suffered Guillain-Barre Syndrome (GBS) following his October 31, 2012 influenza vaccination and that his death from cardiac arrest was a further sequela of his vaccine-related injury. Petition at 1; Stipulation, filed 2/19/2016, ¶ 4. Petitioner further alleges that the vaccination was administered within the United States and that there has been no prior award or settlement of a civil action on behalf of Mr. ██████ as a result of his alleged condition or his death. Petition at 2; Stipulation ¶¶ 3, 5. "Respondent denies that the flu vaccine caused ██████ alleged GBS, any other injury, or his death." Stipulation, ¶ 6.

In accordance with Vaccine Rule 18(b), petitioner has 14 days to identify and move to redact medical or other information, the disclosure of which would constitute an unwarranted invasion of privacy. Nevertheless, on February 19, 2016, the parties filed the attached joint stipulation, stating that a decision should be entered awarding compensation. The undersigned finds the stipulation reasonable and adopts it as the decision of the Court in awarding damages, on the terms set forth therein.

The parties stipulated that petitioner shall receive the following compensation:

STIPULATION

The parties hereby stipulate to the following matters:

1. ██████████ ("petitioner"), as the Personal Representative of the Estate of ██████████ ("Mr. ██████████ deceased, filed a petition for vaccine compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. § 300aa-10 to 34 (the "Vaccine Program"). The petition seeks compensation for injuries and death allegedly related to Mr. ██████████ receipt of an influenza ("flu") vaccine, which vaccine is contained in the Vaccine Injury Table (the "Table"), 42 C.F.R. § 100.3(a).
2. Mr. ██████████ received the flu vaccine on October 31, 2012.
3. The vaccine was administered within the United States.
4. Petitioner alleges that as a result of receiving the flu vaccine, Mr. ██████████ suffered Guillain-Barré Syndrome ("GBS"). Mr. ██████████ died after suffering a cardiac arrest on January 22, 2013. Petitioner further alleges that ██████████ death was the sequela of his alleged vaccine-related injury.

5. Petitioner represents that there has been no prior award or settlement of a civil action for damages on behalf of Mr. [REDACTED] as a result of his alleged condition or his death.

6. Respondent denies that the flu vaccine caused Mr. [REDACTED] alleged GBS, any other injury, or his death.

7. Maintaining their above-stated positions, the parties nevertheless now agree that the issues between them shall be settled and that a decision should be entered awarding the compensation described in paragraph 8 of this Stipulation.

8. As soon as practicable after an entry of judgment reflecting a decision consistent with the terms of this Stipulation, and after petitioner has filed an election to receive compensation pursuant to 42 U.S.C. § 300aa-21(a)(1), the Secretary of Health and Human Services will issue the following vaccine compensation payment:

A lump sum of \$328,000.00 in the form of a check payable to petitioner as legal representative of the Estate of [REDACTED]. This amount represents compensation for all damages that would be available under 42 U.S.C. § 300aa-15(a).

9. As soon as practicable after the entry of judgment on entitlement in this case, and after petitioner has filed both a proper and timely election to receive compensation pursuant to 42 U.S.C. § 300aa-21(a)(1), and an application, the parties will submit to further proceedings before the special master to award reasonable attorneys' fees and costs incurred in proceeding upon this petition.

10. Petitioner and his attorney represent that they have identified to respondent all known sources of payment for items or services for which the Program is not primarily liable under 42 U.S.C. § 300aa-15(g), including State compensation programs, insurance policies, Federal or State health benefits programs (other than Title XIX of the Social Security Act (42 U.S.C. § 1396 et seq.)), or entities that provide health services on a pre-paid basis.

11. Payment made pursuant to paragraph 8 of this Stipulation, and any amount awarded pursuant to paragraph 9, will be made in accordance with 42 U.S.C. § 300aa-15(i), subject to the availability of sufficient statutory funds.

12. Petitioner represents that he presently is, or within 90 days of the date of judgment will become, duly authorized to serve as legal representative of the Estate of [REDACTED] under the laws of the State of Florida. No payments pursuant to this Stipulation shall be made until petitioner provides the Secretary with documentation establishing his appointment as legal representative of the Estate of [REDACTED]. If petitioner is not authorized by a court of competent jurisdiction to serve as legal representative of the Estate of [REDACTED] at the time a payment pursuant to this Stipulation is to be made, any such payment shall be paid to the party or parties appointed by a court of competent jurisdiction to serve as legal representative of the Estate of [REDACTED] upon submission of written documentation of such appointment to the Secretary.

13. In return for the payments described in paragraph 8, and any amount awarded pursuant to paragraph 9, petitioner, in his individual capacity, and as the Personal Representative of the Estate of [REDACTED] on behalf of himself, the Estate, and [REDACTED] heirs, executors, administrators, successors or assigns, does forever irrevocably and unconditionally release, acquit and discharge the United States and the Secretary of Health and Human Services from any and all actions or causes of action (including agreements, judgments, claims, damages, loss of services, expenses and all demands of whatever kind or nature) that have been brought, could have been brought, or could be timely brought in the Court of Federal Claims, under the National Vaccine Injury Compensation Program, 42 U.S.C. § 300 aa-10 et seq., on account of, or in any way growing out of, any and all known or unknown, suspected or unsuspected personal

injuries to or death of Mr. [REDACTED] resulting from, or alleged to have resulted from, the flu vaccine administered on October 31, 2012, as alleged in a Petition filed on January 21, 2015, in the United States Court of Federal Claims as petition No. 15-59V.

14. If the special master fails to issue a decision in complete conformity with the terms of this Stipulation or if the United States Court of Federal Claims fails to enter judgment in conformity with a decision that is in complete conformity with the terms of this Stipulation, then the parties' settlement and this Stipulation shall be voidable at the sole discretion of either party.

15. This Stipulation expresses a full and complete negotiated settlement of liability and damages claimed under the National Childhood Vaccine Injury Act of 1986, as amended, except as otherwise noted in paragraph 9 above. There is absolutely no agreement on the part of the parties hereto to make any payment or do any act or thing other than is herein expressly stated and clearly agreed to. The parties further agree and understand that the award described in this Stipulation may reflect a compromise of the parties' respective positions as to liability and/or amount of damages.

16. This Stipulation shall not be construed as an admission by the United States or the Secretary of Health and Human Services that the flu vaccine caused Mr. [REDACTED] alleged GBS, any other injury, or his death.

17. All rights and obligations of petitioner in his capacity as the Personal Representative of the Estate of [REDACTED] shall apply equally to petitioner's heirs, executors, administrators, successors, and/or assigns.
